

The Northwest Housing Market is Great!

Here are some stats to help you and your clients feel better about the Pacific Northwest.

A local TV station reported this information.

Seattle & Portland respectively are the healthiest real estate markets in the nation. This means that the northwest ranks highest or best in home affordability.

Here are some foreclosure numbers.

Nevada is holding a rate of 1 out 118 homes in foreclosure.

California is holding a rate of 1 out of 83 homes in foreclosure.

OREGON is holding a rate of 1 out of 1004 homes in foreclosure.

Washington is holding a rate of 1 out of 1081 homes in foreclosure.

Hood River County has only one foreclosure recorded at this time.

The Pacific Northwest is strong, lets spread the word and be very thankful.
